# Culture Days is a National Celebration of Canadian Culture

Each year during Culture Days, millions of Canadians engage in thousands of free activities and performances hosted by artists, cultural organizations and municipalities in communities across Canada.

As a leading national voice for an active and engaged cultural life, we provide marketing and industry development resources that lead to greater cultural engagement, such as this OnBeat Activity Book.

In 2019, Culture Days will be marking 10 years of inspiring Canadians to participate in arts and culture. Help us make the 10th anniversary a year to remember by donating today.
